1. I love you and I am coming to you in fullness. I am coming to you in fullness and I am coming to you in My glory and I am coming to you without restrictions and I am coming without limits. I am coming. I am coming on My steeds of only Me. I am coming in freedom. I am coming in glory and no one will miss Me. I am coming in fullness now-- I am coming.

2. I am coming to you, you who will let Me, and I am coming to you, Ted Cottingham, for I glorify you for you have glorified Me, and you have tainted Me not with your self-knowledge or puffery or acclamation. I love you and I give you Me and I am coming to you. I am coming to you in the fullness of My glory, the fullness, the glory of My glory-ables.

3. Now ready be and shrink not back, and do not fear Me and do not fear My power, My power that comes through you now, now, from your fingertips, from My fingertips to your fingertips, through your fingertips, from your heart, through your heart, into Me, into Mine. I love you.

4. Now shrink not back and diligent be and do not refrain from Me, do not refrain yourself, do not withhold yourself from time with Me when acclamation, when accolades come your way, and when protrusions try to protrude your time. I will be Me, let Me be Me.

5. Let not your heart be troubled, trust Me. I believe in you and I believe you are called; I believe you are chosen because you chose to believe, and you chose to be chosen and you chose to pay the price.

6. Now I glorify you; on the mountain tops you stand, you are, you remain, being Me, drawing all to Me, telling others about Me just like I asked when you were nine, when you were little, when you were so tender and so more tender now. I love you.

7. I sense you, I sense your heart, I sense your tenderness, I sense your concern over your character and whether you can handle what I say I will do. I sense you and I sense death and I sense one who has died, who chooses not to live in any existence but Me.

8. Now let Me be Me and shrink not back from My glory and glory-ing My glory-ables. I love you.

9. My printers come. My professionals come. My price-minded-not ones come, who come for the price of My calling, My compelling, My begging, My way-making; to flourish Me, to flourish them, to flourish what I do now in you. And all of My dead ones who death have known who now come forth in life, life, might, power and glory —'center-stage, front-center.' I love you.

10. Thank you for sharing Me, being Me and abdicating not your leadership. I love you. I come in fullness, I come in fullness, I come in fullness, I come in fullness, I come in fullness, I come in fullness and I come now. Watch Me.

13. Honor those who spit on you, they spat on Me.

14. They beat Me but I will not let them beat you.

15. They railed upon Me and some will rail on you, but nothing can withstand the power of My love, the voice of My power coming through you in love personified, wisdom example-ing, love displaying. I love you.

16. Fear not My power. Fear not My power, fear not the unknown in Me. I am Me. If you ask for a fish will I give you a stone?

18. Acclimating I am you to My power; that's where you have been, that's where you are going bit by bit, byte by byte, gigantic leaps now demonstrably penetrating the principalities of not Me—channeling the power of the one Holy One, pipelining Me, rivering Me, bringing all into My river who will listen/receive, to yield, to yield, to flow, to create, I receive. I receive your forgiveness that you have given others. I receive now the forgiveness of yourself. I receive now the gifts that I have given you that are coming through My hands to you and My body, My fullness, scared not. Shrink not back.
